DR: JOHN BULL'S

## SMITH'S TONIC SYRUP

FOR THE CURE OF

### FEVER AND AGUE Or CHILLS AND FEVER.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the SAFE, CENTAIN, SPEEDY, and PERMANENT cure of Ague and gever, or Chills and Fever, whether of short or ong standing. He refers to the entire Western and Southern country to bear him testimony to the truth of the assertion that in no case whatever will tail to cure if the directions are strictly followed and carried out. In a great many cases a single and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure if its use is continued in smaller doses for a week after the disease has been checked, more a week after the disease has been checked, more especially in difficult and long-standing cases. Usually this medicine will not require any aid to keep the bowels in good order. Should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEGETABLE FAMILY DULLS will be sufficient. ILLS will be sufficient. PILLS will be sufficient.

The genuine SMITH'S TONIC SYRUP must have DR. JOHN BULL'S private stamp on each bottle. DR. JOHN BULL only has the right to manufacture and sell the original JOHN J. SMITH'S TONIC SYRUP, of Louisville, Ky. Examine well the label on each bottle. If my private armpis not on each bottle, do not purchase, or conveyil he decrived.
